## Dedication

With coffee cup in hand, and with warm wit, you greeted us, adding depth to our lives. You have taught us by example that concern for others is the foundation for happiness. Although we were quite underserving, you eagerly dedicated your time to us. All of us will not understand your trigonometric theorems, but we do understand we were your first concern. With the greatest respect and affection, the Class of 1969 dedicates the Lance, to you, Colonel Clifford Dawson.

# The Lance Staff

The first thing every editor realizes is that a yearbook is a collection of pictures. Understanding that "a picture is worth a thousand words," we have tried hard to make this last yearbook tell our story-the story of East Southern Pines High School. We had selected pictures that we feel depict our character and personality. We hope that The 1969 Lance will help you recall your days at East Southern Pines High School.

## Last Word

It has always been the goal of East Southern Pines School to produce students who were fully developed, physically and mentally. Next year everyone will be making new goals. Remember, it will be your responsibility to your parents, teachers, principal, and East Southern Pines School to exert every effort to obtain these goals.
